

# **Academic Program for Master Degree Candidates in Transportation**

## **Program overview**

This program will ensure that students become experts in the field of Transportation. The first year is almost entirely devoted to expanding one's knowledge of the field. The second-year focusses on deepening the understanding of the field and the topic for the dissertation is chosen and the associated research plan is written. In the third year, students will finish their dissertations and after defending, they will be awarded the title of Master of Engineering.

## **Aim of the program**

The program aims to educate the next generation of Transportation talent to be able to compete with their peers in the global job market. Through extensive training and research practise, the student will graduate and hold the Master's degree enabling him or her to work in Transportation.

## **When and how to apply**

Applicants can apply starting from December 20<sup>th</sup>, 2021 till May 31<sup>st</sup>, 2022. For more information on the documents needed and the application procedure, please visit:

<http://www.istudy.sdu.edu.cn>.
